FEATURED PROGRAM

Learn to Sew

Learn to Sew
 Saturday, January 18 & 25, February 1, Noon - 2:30 p.m.
[Main Library](#)
[Registration Required](#)

Teens are invited to learn to sew while helping the local community! Connecting Threads, an inclusive and diverse nonprofit, will be teaching teens to sew using provided sewing machines. The teens will work on creating Fidget Blankets that will be used by the library's OASIS department when programming with patrons who have dementia. Fidget Blankets help seniors relax, practice motor skills, and reduce memory loss.

Teens must sign up for the entire three-week series. Teens who participate will receive 7.5 hours of community service.
