

This is just a small selection of our teen programs. For the full listing, please view our event calendar.

FEATURED PROGRAM

Alma Thomas Art Workshop

I'm a new HTML block.

Alma Thomas Art Workshop
Monday, February 17, 5:30 - 6:30 p.m.
[Main Library](#)
[Registration Required](#)

Celebrate Black History Month by discovering the vibrant world of Alma Thomas, a trailblazing artist known for her colorful abstract paintings. In this workshop, teens will learn about her inspiring life and artistic style, then create their own masterpieces inspired by her iconic bold use of color. No prior art experience is needed; just bring your creativity! This program is for teens ages 13-18.

For accommodations, please contact the programmer at the address below.

Contact: Abbie Mondragon, vasmondragon@dconc.gov

FEATURED PROGRAM

Mock Interviews for Teens

Mock Interviews for Teens
Saturday, February 15, 11 a.m. - 1 p.m.
[North Regional Library](#)
[Register by Email](#)

Is this your first interview? Are you feeling a little jittery? Come to North Regional to have a practice interview with the teen librarian. Interview questions can be provided, or you can supply your own questions. Feedback will be given to make sure you are ready for your big day when it comes. Each mock interview and feedback session is 30 minutes and registration is required. Email Dominique at fdiggs@dconc.gov to schedule your time and ask any questions. Reserve soon - remaining sessions are limited.

Contact: Dominique Diggs, fdiggs@dconc.gov

FEATURED PROGRAM

Two-Part Series: Create Your Own Pixel Art

Create Your Own Pixel Art
Saturday, February 1, 3 - 4 p.m. [Register](#)
Monday, February 3, 5:30 - 6:30 p.m. [Register](#)
[Main Library](#)
[Registration Required](#)

Get ready to dive into the world of pixel art with Aseprite, an industry-standard software, in this awesome two-part program for teens (ages 12-18). Computers will be provided, or feel free to bring your own (software installation is required if you bring your own device).

Session 1: Learn the basics of pixel art design on February 1 at 3 p.m. in the Computer Lab.

Session 2: Use what you've learned and create your own digital masterpiece on February 3 at 5:30 p.m., also in the Computer Lab.

Registration is required for both sessions. Need accommodations? Email vasmondragon@dconc.gov at least three days in advance, and we'll be happy to help! Don't miss out on the pixel-perfect fun!

Contact: Abbie Mondragon, vasmondragon@dconc.gov
