

Below is just a selection of our children's programs. For a full listing, please [view our event calendar.](#)

Color Me Country w/Rissi Palmer

Color Me Country with Rissi Palmer
Wednesday, June 3, 11 a.m. - 12:30 p.m.
[South Regional Library](#)
[Registration Required](#)

Grab your boots and cowboy hats and join county music recording artist and "Color Me Country Radio" host Rissi Palmer for storytime! Through music and storytelling, Rissi will read from her new book *Color Me Country: A Celebration of Black Women Who Shaped Country Music*. This book paints women of color up-front and center-stage in this vibrant homage to some of country music's first and finest.

Stay until the end for your chance to win a signed copy of *Color Me Country: A Celebration of Black Women Who Shaped Country Music!*

Contact: Donielle Fonville, difonville@dconc.gov

FEATURED PROGRAM

Dino Explorers!

Dino Explorers!
Wednesday, June 10, 2026, 10 - 10:45 a.m. and 11 - 11:45 a.m.
Wednesday, June 24, 2026, 10 - 10:45 a.m. and 11 - 11:45 a.m.
[Outside at Rock Quarry Park, 701 Stadium Drive](#)
[Registration Not Required](#)

Stomp on over to Rock Quarry Park and join Ms. Sara and Ms. Patty because "We're going on a DINO HUNT!" Let's explore, play and see if we can spy some dinosaurs.

Our hunt will take place on a flat, paved trail that can accommodate strollers. All ages are welcome on the hunt to spy for dinosaurs.

The activity after the hunt is geared for ages 4-6 and may not be suitable for younger children.

Contact: Sara Gibson, sgibson@dconc.gov or Patty Melendez, pmelendez@dconc.gov

FEATURED PROGRAM

Dinosaur Fossil Dig

Dinosaur Fossil Dig
Thursday, June 18, 4:30 - 5:30 p.m.
[Stanford L. Warren Branch Library](#)
[Registration Required](#)

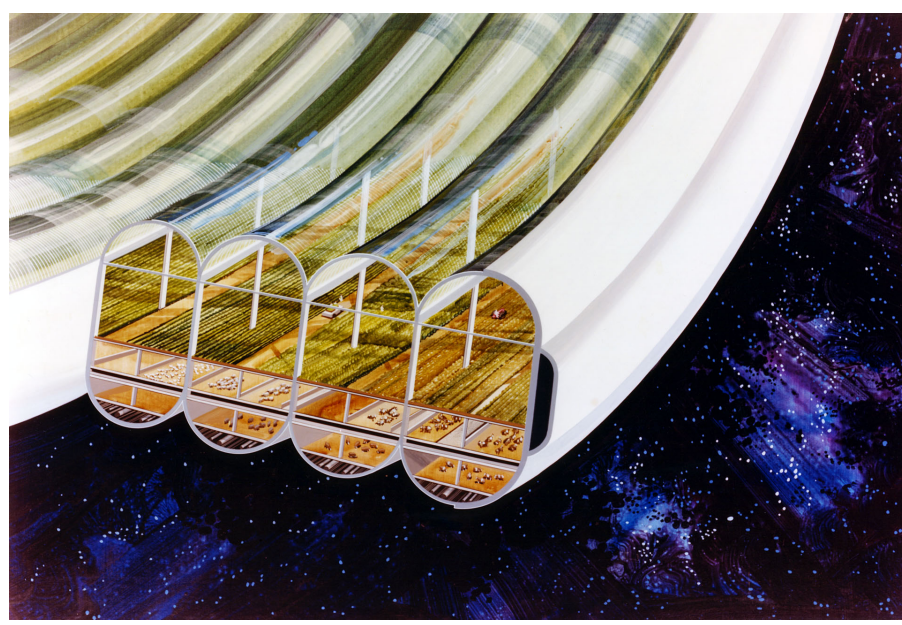

Families with children ages 0-3 years old are invited to our Third Annual Baby Prom, a springtime celebration for our youngest library friends! There will be music and dancing, playtime and bubbles, and plenty of photo opportunities. Adorable, fancy outfits are encouraged! This year's theme is "Litte Stars: Shining Bright at Baby Prom!"

FEATURED

Space Agriculture - A Simulation in Stations

Space Agriculture - A Simulation in Stations
Wednesday, June 24, 5 - 6 p.m.
[Main Library](#)
[Registration Not Required](#)

What's it like to research plant life and try to garden in outer space on a space station? Join the Maker + STEAM team to explore 4 stations of short activities simulating parts of what space research about agriculture, plants, and gardening looks like on a space station. In these stations, you can use NASA information to pick a (pretend) plant to grow, set up the growing environment, "water" the plant, and measure the plant's growth. Each of these stations will be simulations, no actual planting occurring this time!

These activities are geared towards ages 5 and up, all ages welcome.

Contact: Caroline Flory, cflory@dconc.gov
